

Contributions to Industry Associations, Memberships, and Others

As a leading chemical company, Indorama Ventures demonstrates leadership in driving sustainable development, innovation, product stewardship, and creating a positive impact on the climate.

The Company participates in trade associations for multiple reasons, including networking, building industry skills, and monitoring industry policies and trends. Our participation in various associations allows us to remain connected with stakeholders and address the requests of public authorities concerning the development of relevant industries. We maintain memberships with multiple trade associations expressly for this purpose.
